

Product Safety Warning: UPP Battery E-Bike Battery Packs presenting a serious risk of fire

The Office for Product Safety and Standards has issued [Withdrawal Notices](#) to distributors of some UPP Battery E-Bike Battery Packs. The products being sold via Amazon, AliBaba, eBay, Made in China and Desertcart are being withdrawn from sale because they present a serious risk of fire.

Product details

UPP Battery (Unit Power Pack) Model: U004 and U004-1 Battery Type: 18650 (U004) and 21700 (U004-1)

Triangular lithium-ion battery packs for e-bikes.

Owners are advised to stop using the battery immediately and dispose of it safely via their local household waste disposal site. Consumers should check first with their local centre if they accept this type of battery. For further information on household waste, access the following Gov.uk webpage: <https://www.gov.uk/dispose-household-waste>.

For further information on e-bike and e-scooter safety, access the Important Safety Message at the following link: <https://www.gov.uk/guidance/government-safety-message-on-e-bikes-and-e-scooters>.
